

Hi, my name is _____ . I'm going door-to-door asking all my neighbors to help the sight and hearing impaired around the world to see and hear.

I will be collecting used eyeglasses and hearing aids on Halloween night, October 31, to donate to the Grand Island Lions Club where they will ship them to Lions' eyeglass and hearing aid recycling centers. They will be cleaned, repaired, and sorted, then given to someone who cannot afford them but need them to learn and work and to have a happier life.

Would you help me by having them ready when I come by trick-or-treating on Halloween?

Thank you so much!
